

With A Little Help From My Friends Lyrics

What would you think if I sang out of tune,
Would you stand up and walk out on me?
Lend me your ears and I'll sing you a song
And I'll try not to sing out of key.

Oh, I get by with a little help from my friends
Mm, I get high with a little help from my friends
Mm, gonna try with a little help from my friends

What do I do when my love is away
(Does it worry you to be alone?)
How do I feel by the end of the day,
(Are you sad because you're on your own?)

No, I get by with a little help from my friends
Mm, I get high with a little help from my friends
Mm, gonna try with a little help from my friends

Do you need anybody?
I need somebody to love
Could it be anybody?
I want somebody to love.

(Would you believe in a love at first sight?)
Yes, I'm certain that it happens all the time
(What do you see when you turn out the light?)
I can't tell you but I know it's mine,

Oh, I get by with a little help from my friends
Mm, I get high with a little help from my friends
Mm, gonna try with a little help from my friends

Do you need anybody?
I just need someone to love
Could it be anybody?
I want somebody to love.

Oh, I get by with a little help from my friends
Mm, I get high with a little help from my friends
Mm, gonna try with a little help from my friends

Yes I get by with a little help from my friends
With a little help from my friends.
