

Agudo Dance Company presents

CARMEN

Carmen will always be free... she is a gypsy, a Romany, a traveller, an untamed spirit, captivating and elusive, yet earthy and fiercely alive.

Jose Agudo's unique palette of Flamenco and contemporary dance comes alive in this dramatic adaptation of Prosper Mérimée's classic novella. Performed by a cast of seven dancers and set to an original Flamenco infused score, Carmen is a story about individuality, freedom, love and pleasure, and the belief that the journey we call life is always valuable.
